### Crazy Negro Insists He Is Man Who Killed Operator Magee.

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street.

A. P. Falconer, and Chief of Police Hagland, of Petersburg, made a hurried trip to Manchester yesterday afternoon to interview the negro John Asaiah, who in the morning had stated to Chief Lipscomb that he killed Operator Magee at Colliers, on the Atlantic Coast Line, on Friday.

Mr. Falconer, who was present when the shooting occurred, stated positively after he had looked carefully at the negro, that he was not the man, although resembling him closely. The negro is evidently a lunatic, his answers to questions intimating that his mind is unbalanced. He stated that he came here from Halifax county, and that his home is in the poorhouse. He turned up at the police station on Friday night and asked for lodging. He will be held at the Halifax authorities can be murdered with.

**Mr. Murden Dead.**  
Mr. G. H. Murden died yesterday afternoon after a lingering illness, at the residence of his brother-in-law, Mr. T. J. Selbe, in Swansboro. He was sixty-nine years of age. He leaves three sisters—Mrs. T. J. Selbe, Mrs. W. E. Roberts and Miss Sophie Murden. The funeral will take place this afternoon at 3:30 o'clock. The interment will be made in Laurel Cemetery.

**Heavy Sentence.**  
In the Police Court yesterday morning Richards, alias C. C. Adkins, a young white man, was charged with procuring money under false pretenses. There were ten charges against him, and the Mayor gave him thirty days in each case.

Young Taylor, who was employed by Adkins, and who informed the police where he could be found, was dismissed. The evidence showed plainly that Taylor is a man of intelligence and of good standing, and that he was innocent. He took the position in good faith, thinking that the proposition was a legitimate one.

**Council Meetings.**  
This week will be a busy one for the members of the City Council. On Monday night the Finance Committee will meet for the purpose of working on the budget for the year. The Police Commissioners will also meet on Monday night.

The letter is as follows:

### ECZEMA NOW CURABLE.

All Itching Skin Diseases Which Are Not Hereditary Instantly Relieved by Ointment of Wintergreen.

Can Eczeema be cured? Some physicians say "Yes." Some say "No." The real question is, "What is meant by Eczeema?" If you mean those scaly eruptions, those diseases which make the skin appear, not at birth, but years afterward, and perhaps not until middle age—then there can no longer be any question that these forms of Eczeema are curable.

Simple vegetable oil of wintergreen, mixed with other vegetable ingredients, will kill the germs that infest the skin. Apply this prescription to the skin, and instantly that awful itch is gone. The very moment the liquid is applied, that agonizing, tantalizing itch disappears, and continued applications of this external remedy soon cure the disease.

We carry in stock this oil of wintergreen, properly compounded into D. D. Prescription. While we are not sure that it will cure all those cases of skin trouble which are inherited, we positively know that this D. D. Prescription, whenever richly used, will cure every last case of genuine Eczeema or other skin trouble which did not exist at birth.

We know this. Anyway, you, yourself, will know that D. D. Prescription instantly takes away the itch the moment it is applied to the skin. Owens & Minor Drug Company. Stop that itch today—Instantly. Just call at the store and try this refreshing and soothing liquid; also ask about D. D. Soap.

### HAVE TROUBLE AT SCHOOL.

Teacher Undertakes to Chastise Pupil Whose Mother Interferes.

ROCKFISH, VA., February 1.—Much excitement was occasioned at Beech Grove public school when the teacher, Miss Cynthia Rhodes, undertook to chastise one of the pupils, a small boy. The task being too much for the teacher, she had one of the larger boys help her in order that she might better chastise the youthful offender against the discipline of the school.

A sister of the lad, not caring to see her little brother so treated, ran home and told her mother the condition of affairs. The mother alarmed for the safety of her child, immediately rushed to the schoolhouse, and rescuing her child, turned her attention to Miss Cynthia. A scuffle then followed in which the teacher was roughly handled.

The school was promptly closed, the lessons and tasks ended, the incident had passed into school history and the work for the day was done.
